## Instructions

1. For a suggested entry of \$5, \$10 or \$20, players pick a number from a hat and get allocated the numbered horse and pop their name down.
2. Ensure all of the numbers have been allocated prior to the race/draw.
3. If you are using this game for Melbourne Cup ensure to cross through any scratched numbers. If you are using this name as general sweeps draw ensure to put numbers 1-24 in a hat to draw the winner.
4. The winner will receive half the money collected in the sweepstake and the other half will be donated to the Children's Hospital Foundation to work wonders for sick kids.
